

Seth Leininger

ENTRY-LEVEL GEOLOGIST

Profile

Recently graduated with my BS - Geology, I am an entry-level Geologist currently looking to advance my career in the Industry. I enjoy keeping myself busy and engaged in every aspect of my life. Also a devoted worker, I am eager to learn and progress in my career. I am currently taking an extensive Python-language Coding course, and also studying for the ASBOG exam for Oregon.

Employment History

Lead Server, Bethany's Table, Bethany, OR

JUNE 2021 – PRESENT

This job involved high competency of high-end customer-service and wine service, including resolve of costumers' problems and requests. Further, involved monitoring event activities and coordination to ensure compliance with all applicable regulation and laws.
